FELLOWSHIP NOTICE

The Association of Collegiate Alumnae offers a fellowship of five hundred dollars for the year 1908–1909, available for study in Europe.

The fellowship is open to any woman holding a degree in arts, science or literature; in general, preference is given to those candidates who have completed one or two years of graduate work. The award will be based on evidence of the character and ability of the candidate and promise of success in her chosen line of work. As a rule, the fellowship will be awarded for but one year.

Applications must be made by personal letter from the candidate to the secretary of the committee, accompanied by (1) A certificate from the registrar of the college or university which awarded the degree; (2) Testimonials as to ability and character from qualified judges; (3) Evidence of continued good health; (4) An account of previous educational training, and a clear statement of plans for future work and of the reasons for applying for the fellowship; (5) Examples of scientific or literary work in the form of papers or articles, or accounts of scientific research in which the candidate has been engaged.

Applications for the year 1908–1909 must be in the hands of the committee on or before February 1, 1908, and should be addressed to the secretary,

Miss Florence M. Cushing,
8 Walnut Street, Boston, Mass.

The Woman's Education Association of Boston offers a fellowship of five hundred dollars for the year 1908–1909, available for study in Europe or in America.

The fellowship is awarded usually to candidates who have completed one or two years of graduate work and only to those who give promise of distinction in the subjects to which they are devoting themselves. A competitive examination will not be held; the candidate must present evidence of her qualifications similar to that required by the Association of Collegiate Alumnae.

The fellowship will in general be held for one year. It may be used for study abroad, for study at any American college or university, or privately for independent research. It must be used for purposes of serious study and the fellow should keep herself as free as possible from other responsibilities.

Applications for the year 1908–1909 must be in the hands of the committee on or before February 1, 1908, and should be sent to

Graduates who have become regular members of a branch shall thereafter be considered regular members of the Association of Collegiate Alumnae.

SECTION 3. Branches may, at their option, invite to associate membership women who hold advanced degrees (the M.A. and Ph.D.) obtained in residence from foreign and American universities recommended by the committee on corporate membership and approved by the association, provided that such associate membership shall not exceed one-third the regular membership, and shall not confer the power to hold office and to vote, except in matters relating to the local work of the branches.

SECTION 4. Each branch shall elect a member of the association to serve as a director for a term of three years, whose duty it shall be to represent the branch in the executive committee and at all meetings of the association and to establish as close relationship as possible between the branch and the general association.

SECTION 5. Each recording secretary of a branch shall make an annual report to the Association of Collegiate Alumnae.

SECTION 6. Regular members (not life members) of duly organized branches shall pay to the general association, through the treasurer of their branch, the annual fee of one dollar. This amount shall be due from branch treasurers on December 1. Resignation of membership in a branch shall be presented in writing to the treasurer of the branch; any member who resigns after December 1, shall be liable for dues for the current year.

SECTION 7. The fiscal year of the branches shall begin October 1, and branch officers shall be chosen for a term of office beginning on that date.

SECTION 8. Branches in which the regular membership has fallen below the initial unit of membership (ten regular members) or which have failed to make an annual report to the general association for two consecutive years, shall be considered non-existent.

SECTION 9. Branch associations shall make their own by-laws governing all points except those hereby specified.

ARTICLE 9
